These Symposiums are some of the most valuable and stimulating activities sponsored by the NAWCC. Unfortunately they are the least patronized by our membership. If you haven't attended one of these series of lectures, you are missing out on a very interesting aspect of Horology.

The 2008 Mid Eastern Regional- November 7th & 9th.

The Mid Eastern Regional will be held at the York Expo Center again this year. It will be sponsored by **Washington D.C. Chapter 12**. Registration will be available at our Oct. 12th meetings.

Horology Humor...

A young man was showing his parents his new apartment. "What is that huge ugly round brass thing in the corner?" asked his mother. "That's my new talking clock" explained the young man. "How does it work?" asked the father. With that, the young man took a large hammer and gave the brass gong a heavy blow. Immediately, a loud voice shouted from the adjoining apartment "**knock it off you JERK, it's TWO A.M.!!!!**"
