## Acting President's Column

Don Buck needs to take a 4 month leave of absence as our president. He has asked me to fill in as acting president until his return.

I want to start out by thanking Bill Bonta for sharing his collection of clock and watch tools with us. Bill had a power point presentation showing us his lathes, milling machines, band saw and grinders. He also had samples of gears and escape wheels that he had made.

We welcome Tom Mostyn as our featured speaker for this meeting. Tom plans to have a demonstration on basic wheel cutting and information regarding calculation of gear size and number of teeth for an unknown wheel.

And finally, I need your help to make the chapter grow. Please bring a prospective new member to our new meeting, and an item for sale at the MART.

### CHAPTER DIRECTORS: PLEASE NOTE:

There will be a short executive meeting after the conclusion of the program.

Respectfully,

Frank Blahut, Acting President
