President's Column

Thank you Joe Orens and George Hudson for conducting the field trip to All Souls Church, in Washington, D.C., to view the E. Howard Tower Clock on February 20th.

Thanks also to Frank Blahut for your presentation on *Cuckoo Clocks* at our February 28th meeting. Your discussion of the history and origin was very informative as was your clinic on the clocks. Your presentation was appreciated by all.

Our April Woodsboro Joint Chapter 11, 12, and 141 meeting and mart was a success. Almost all of the tables were taken and there was active trading. Our guest speaker, Gordon Converse, not only charmed the audience with tales of his experiences and behind-the-scenes stories on the Antique Road Show, but also provided some history and evaluations of various clocks that were presented to him for inspection.

Our meeting of June 6th will include our election of officers, and the program "Clock Tales." I have agreed to remain as President, Frank Blahut has agreed to run for 1st Vice-President, and Bill Miller and Bill Kuehn have agreed to remain, respectively, as Treasurer and Secretary. If you are interested in becoming a Director, we will entertain nominations from the floor.

Be sure to contribute to the June 6th meeting by sharing your story about clock procurement, interesting repairs, or stories in general. Howard Klein will get us started with his story about a wooden works tower clock.

I look forward to seeing you and your guest(s) at the next meeting. Since this is our spring meeting, I would encourage you to do some spring cleaning and bring some horological items for sale or swap at the mart.

Respectfully submitted,

Don Buck, President

NEW ONLINE MEMBER BENEFITS!

Your NAWCC is working hard to create exciting new online resources intended to enhance your personal collecting experience!

In recent months, the staff at NAWCC National has been working around the clock to update and expand the website at nawcc.org. Recent improvements include the development of a brand-new NAWCC Member Community center for online member interaction, a new NAWCC Classifieds Listing server, online Video archives and searchable library resources, an online registry of the museum collection, an updated School of Horology website, and much much more!
