President's Column

Dear Members and Guests of Chapter 11

NOTICE: The first meeting for the fall is October 3, 2010!!

I hope you all had a great summer and survived the heat and humidity. For those members who are struggling with an illness and for those who are doing better, we continue to think of you. I wish you continued improvement and hope to see you real soon at one of our meetings or activities. The camaraderie and friendship of Chapter 11 members makes this a fun and welcoming chapter to belong to. In order to continue to grow as a chapter, I would like to encourage each one to invite a friend interested in clocks and/or watches to come to our meetings and become a part of this great group.

I want to thank all of you who helped with the activities at the National Convention in June. It apparently was successful, however, I understand that they have not finalized the financial books to determine if there are any funds to be shared with the helping chapters. With all this valuable expertise you gained from your experience at the National, I (along with Chapter 1) would personally like to request that you use this valuable knowledge to help in the setup and running of the Mid-Eastern Regional at York in October. The dates for this Regional are October 21-23, with set up on October 21st. I will follow up with specifics at our October meeting. You can let me know then if you can help. It would be greatly appreciated since I am in charge of setting up the mart tables, etc.

All of you know that finding speakers for our meeting is always a challenge! Please let any Director or officer know of a subject that you would like to have presented at the meetings. We are always open to new topics or presenters that you may know. We could also consider hands-on workshops or presentation workshops if you have any requests. These workshops would possibly attract new members and pass on valuable knowledge.

Finally, please bring at least one item for the mart. This can be an item for sale, a show & tell item or a project that needs further research and assistance from the members. At Least One Item Please!

Respectfully submitted,

Don Buck, President

NEW ONLINE MEMBER BENEFITS!

Your NAWCC is working hard to create exciting new online resources intended to enhance your personal collecting experience!

In recent months, the staff at NAWCC National has been working around the clock to update and expand the website at nawcc.org. Recent improvements include the development of a brand-new NAWCC Member Community center for online member interaction, a new NAWCC Classifieds Listing server, online Video archives and searchable library resources, an online registry of the museum collection, an updated School of Horology website, and much much more!

Go to <http://www.nawcc.org> and visit the Members Central section for more details!
