President's Column

Our thanks go out to Joe Orens for making an excellent presentation on Clocks and Musical Boxes at our October 3rd meeting. To the best of my knowledge, this has been the first time that we have looked into the workings and history of musical boxes, and we thank Joe for sharing his information with us.

Next came the Mid-Eastern Regional in York, PA on October 22nd and 23rd. Dave Gorrell indicated an excellent turnout. Our thanks also go out to the members of Chapter 11 who assisted with the Regional. Those members who come to mind are: Bob Butler, Ed Butler, Bill Miller, and Bill (and Joan) Kuehn. If I have left anyone out, please accept my apology.

And now on to our December 5th meeting. This meeting will again be a coffee and donuts meeting, because Jim Stoker is recovering from a shoulder injury. If any of you can be at the meeting early and help with the set-up, we would appreciate your help.

The Meeting topic will be Clock Tales. We would appreciate hearing about your First Clock, your quest to get that "special" clock, your challenges in getting that clock to run, and/or related stories. Helpful hints or unique repairs can also be discussed.

I would also encourage you to bring a friend to this meeting. It may encourage him or her to become a part of the NAWCC, and share in our blessings.

Sincerely,

Don Buck, President
