President's Column

We had a great meeting on March 20, 2011. My thanks go to Frank Goad for Chairing the meeting in my absence, and to our guest speaker, Markus Harris for his presentation on the NAWCC website. From what I have been told, the presentation was well received, and Markus was able to assist individual members with one-on-one training.

The Woodsboro meeting was also well attended, with 140 members and guests and 47 tables filled with collectibles. We wish to thank Chapter 11's Joe Orens for obtaining Rory DeMesy and Chuck Roesser as Special Guest Speakers. Their program on the Restoration of a Howard No. 3 Tower Clock in Dallas, Texas was well received and generated many questions. Special thanks also go out to Bob Butler for coordinating the Joint Meeting with Chapter's 12 and 141, and with the Woodsboro Volunteer Fire Hall, and to Bobbie Hudson for helping Bill Miller at the registration table. Our next Woodsboro event is scheduled for April 14, 2012. Mark your calendars.

Our program for the June 5th meeting will be "Clock Tales". I ask for your assistance in sharing your stories about clock procurement, interesting repairs, or stories in general. We have had these programs in the past and they have been well received and proved to be very interesting. I thank you in advance for your support and participation.

There will be a short executive board meeting, after

President's Message (continued)

our regular meeting, to establish a schedule for the Fall of 2011 thru the June 2012 meetings. We have tentatively scheduled a breakfast meeting for September 18, 2011. If you have a presentation, or suggestions for a presentation, please let us know. Frank Blahut is working on a presentation for our September 18th meeting (tentative date) on Pendulum Wobble. You may also want to bring one or more items for sale in the Mart. It's never too late to start your Spring Cleaning.

Unfortunately, I must end on a sad note. I have received news that Brett Louis passed away in early May of metastatic esophageal cancer. He was only 48. Our condolences go out to his family. He and his son "TJ" will be missed at our meetings.

Respectfully Submitted,

Don Buck, President
