#### President's Column

We had a great meeting on June 10th, when Bill Miller shared his experience with restoring a **French Pendule D'Officier** clock with attached musical box. For us meat and potatoes folks, this would be a small table clock with an attached music box. Thank you, Bill, for your fine presentation.

The summer has been so hot and flown by so fast. I attended a few clock shows and am still working on my clock shop.

Our September 16th meeting will be "Clock Tales". I ask for your assistance in providing stories about clock procurement, interesting repairs, or clock stories in general. We have had these programs in the past, and they have been well received, and proved to be very interesting. I thank you for your support and participation.

The **Mid-Eastern Regional** is scheduled for October 25 thru 27, 2012. Any help you can provide will be greatly appreciated.

I am working on a program regarding "Rust Removal" that I should have available for our December 16th breakfast meeting.

For this Fiscal year, I want to get new members into the organization. I plan to work through the Executive Board in obtaining this goal. If you can help by encouraging a neighbor or friend to join, it will be greatly appreciated.

I plan to see all of you at the September 16th breakfast meeting.

Respectfully Submitted,

Don Buck, President
