## President's Column

As Ed Sullivan would describe it - We had a really Great Show on December 16th. Tom Mostyn presented his Power Point presentation on Calendar Clocks. He took us behind the dial and showed us simple and complex movements. He then explained how a simple time and strike movement could be converted to display a date of the month. The complex movements become more involved in that they have to adjust the display to correct the number of days in the month, and correct the number of days in leap years. Thank you Tom for your presentation.

Our next scheduled meeting is January 20th - It will be our annual Ugly Clock Contest and Show and Tell Event. Sandy has already obtained her Ugly clock and hopes to win ( with or without a poem). I urge you to bring your Ugly Clock and/or share your Show and Tell adventure.

Now how about this meeting... Try to bring a guest (wife or significant other) to the meeting. Consider bringing any excess clocks, movements etc. to the mart tables. This would help other members expand their clock inventories, and help you climb out of holiday debt.

And finally our Treasurer, Bill Miller, wanted me to remind you that your annual dues for 2013 are now due, if you haven't already paid them.

Respectfully Submitted,

Don Buck, President

OUR 61st YEAR  
1952-2013
