#### President's Column

Our last meeting was on October 27. I would like to thank Tom Mostyn for his informative presentation on cleaning wood works movements. Tom also gave us some useful hints for using super glue, some suggestions for replacing painted glass on banjo clocks, and an explanation of coupled oscillation.

Next we had the Mid-Eastern Regional in York, PA on November 1 & 2. I would like to thank all chapter members who attended this event, and those especially those who volunteered their help in making the Regional a success.

We have received confirmation from the Woodsboro VFD of the April 5, 2014 date for the Joint Woodsboro Meeting. Mark your calendars, and gather your clocks for your table.

On November 14, George Hudson guided 3 members on a field trip to Marietta PA to see the tower clock at The Old Town Hall Museum and lunch at Hinkles. Thank you George for being such a good scout master.

Left to right: Frank Goad, Dan McKeedy (Museum Director), Bob Butler and Ed Butler.

Our next meeting will be on December 15th. This will be a breakfast meeting, and the topic has been changed from My First Clock to My First Timepiece. I look forward to seeing your prized possession and hearing about your negotiation skills in acquiring it. You may wish to bring a guest with you, as this should be a special event.

Respectfully Submitted,

Don Buck, President
