President's Column

Twenty-one members and guests braved the elements to attend the March 1st meeting at the Pickersgill Retirement Community. Sleet, freezing rain and snow were forecast for the afternoon, but started during our 9 AM breakfast. We started the meeting with our guest speaker **Rory McEvoy**, Curator of Horology, Royal Observatory, Greenwich, England. Mr. McEvoy's presentation "*Ships Clocks and Stars, An Early History of the Marine Chronometer*" discussed the events and technological advances that led to the development of the marine chronometer. Mr. McEvoy was an excellent and knowledgeable speaker and the presentation was enjoyed by all. We also need to thank **Joe Orens** for obtaining and providing transportation for Mr. McEvoy to and from the meeting.

Next came the Woodsboro meeting on April 25th. Eighty-five (85) members and guests attended. We had 40 tables for the Mart and trading was good.

Jeff Schuldenfrie was the guest speaker and his program was on "*Comic and Cartoon Watches.*" His presentation included examples of some of the earliest pocket watches and alarm clocks and took us up to our present day quartz watches. The program was enjoyed by all.

That brings us up to our next meeting on June 7th at the Pickersgill Retirement Community. The program will be "*Clock Tales.*" We encourage you to bring one or more of your experiences in acquiring a horological item, and sharing it with the group.

While you are at it, I encourage you to also bring an item for sale at the Mart. You may also want to bring a guest, as the meeting will be a fun event.

Respectfully Submitted,

Don Buck, President
