PROGRAM – CARL LISTL

Black Forest Clock Case Restoration

Our own Chapter 2 member, Carl Listl is by profession an electrical engineer with over forty years experience designing equipment and systems.

About twenty years ago, Carl began collecting and restoring Black Forest clocks - principally cuckoo clocks. His greatest joy is in restoring the fine carvings of the older models. . Starting with the most basic tools, several knives and the gradual purchase of a set of carving chisels he proceeded to become a self-taught carver.

Through reading and by studying the Black Forest clock and pieces gathered by other collectors as well as those in his own collection, he became familiar with many of the most common styles.

Carl's presentation will cover the basics of carving for clock restoration including the tools and the materials necessary for design and carving.

PRESIDENT'S MESSAGE

Dear Members,

As we approach the last meeting of the season, it is also dues renewal time for 2011-2012. To save time, additional printing costs and postage, a yellow dues card is enclosed with this meeting notice. Please note that annual dues are \$8.00 and is due by June 30, 2011 - still one of the lowest chapter dues in the East. **If there is no yellow dues card enclosed, then your dues are paid for 2011-2012.**

Our Meeting at Good Counsel was well attended and table holders had many unusual items for sale. Our speaker, Bill Clarke, gave a very interesting and different presentation on the use of time in computers and how computers have evolved in their use of time.

Due to staff cut backs by New York State and the park reservations offices still being closed, we have not been able to secure a date for the annual joint Picnic in the Park. When and if we secure a date and the shelter is made available, you will be sent a separate meeting notice with all the details. Thank you for your patience in this matter.

The NAWCC National Convention is in Kansas City, KS on June 8-12, 2011. It promises to be a good convention as many members will be attending from all over the US and Internationally. There will be a large mart, silent auctions, a public auction, exhibits, various speakers and workshops. Plan to attend, meet different people and get a flavor of the middle of America. Log on to www.Nawcc.org.

We welcome and need everyone to take an active part in the functioning of your Chapter; so don't be shy, step up and see where you can be of value. Thanks to all of you who volunteer on a regular basis.

Our speaker at this meeting is Carl Listl. Carl's specialty is Black Forest Clock restoration. Please plan to attend this lecture which promises to be both informative and fascinating.

Hope to see all of you at this meeting.

Best Regards,

Lu Sadowski
