PROGRAM – IAN WETHERLY FRENCH CLOCKS

Our own Chapter 2 member, Ian Wetherly, has a long standing interest in antique clocks and is never happier than when he is restoring his newest addition. When he was 10 years old he took apart his grandmother's skeleton clock to find out why it did not work. Within a short time he had it back together again, had new gut, was oiled and running. Thus began his lifelong interest in clocks. It was his first successful repair and he has been at it ever since. To this day the lovely old skeleton clock runs happily in his own home.

Ian will take you on a power point tour to Paris, the Louvre, and to Chateau Versailles for a look at the wonderful clock exhibits and a peek into the beautiful clock shops along the Champs Elysee. He will bring some of his collection of French clocks and will devote a sizeable part of his talk to the repair and restoration of the famous French marble "Pendule de Paris" and the Brocot Visible Escapement.

Please plan to attend this fascinating talk.

PRESIDENT'S MESSAGE

Dear Members,

As we approach our first meeting of the season in White Plains, be sure not to miss Ian Wetherly's presentation on French clocks. Ian is extremely knowledgeable and guarantees you a very informative lecture with good humor.

Our previous meeting at the Park Restaurant started out slow - then it picked up nicely as more members arrived with lots of selling and buying. Danny Kantrowitz gave a very informative talk on clock and watch escapements.

If anyone has any ideas or is willing to do a workshop, a presentation or lecture, please let me know. We are constantly trying to come up with interesting programs for you.

2011-2012 dues were due June 30th, 2011. If you have not paid your dues of \$8.00, this will be your last meeting notice and your name will be removed from our roster. There will also be a yellow dues card in this envelope as a reminder that your dues have not been received. Please...your support enables us to continue as a viable Chapter. Thank you.

Be sure to check out the NAWCC website. They are constantly updating it with new information. A new membership program is available. They have introduced a new 4 month trial membership for \$20.00 with all benefits, so if you know someone who is interested but not sure about joining, let them know. There is also a junior and student membership available.

Hopefully you will receive this notice before this date, if so you will not want to miss this. Everyone is invited to attend "A Bell Raising Celebration" to commemorate the raising of the newly acquired historic Bell made by Paul Revere in 1801 to the Old South Meeting House Clock Tower in Boston, MA. This event along with other festivities will take place on October 16, 2011 at 1 PM. The tower and bell was restored and acquired by our own James Storrow who will be there at the Ceremony. For more information concerning this event call 617-482-6439 or email info@osmh.org or go to their web site: <http://oldsouthmeetinghouse.org/Bell%20Raising%20Poster.pdf>

I would like to thank all of you who volunteer to help us set up and clean up at the meetings. It makes a big difference to us in running a mart smoothly.

Hope to see all of you at this meeting,

Regards,
Lu Sadowski
