AT THE PARK RESTAURANT
FRANKLIN SQUARE, NY

PROGRAM – DANNY KANTROWITZ

Clock & Watch Escapements

Known to all of us as, "Danny" - Danny Kantrowitz has been repairing watches and complicated clocks for over 40 years. He has been observed working on the smallest of watches; some so tiny that you would believe he needed a microscope to see the gearing.

Danny will be presenting a talk on various escapements found in watches and some clocks. His vast knowledge of complicated watches and his experience in their repair will enhance your appreciation of a fine watch or clock in perfect running order.

As well as being a long time member of Chapter 2, Danny is presently associated with Fanelli Timepieces in New York City.

This is a lecture not to be missed.

PRESIDENT'S MESSAGE

Dear Members,

Hope you kept cool during this extremely hot summer.

With the start of a new season we look forward to another successful year with your support. If there is a yellow dues card included with this notice, your dues for 2011/12 are **NOT** paid. Without you, the Chapter will not be able to survive. Volunteers are always welcome and needed to help set up and assist in the clean up after a meeting. Our most difficult task, which has been ongoing, is finding interesting topics and people willing to give a presentation. You can contact us by e-mail, phone or in writing with any ideas, suggestions and recommendations of speakers for future meetings. Your input will be greatly appreciated.

Our May meeting at the Park Restaurant had a decent turn out with lots of activity. Carl Listl gave a very in depth and informative presentation on the restoration of a Black Forest Cuckoo Clock which was well attended.

For those of you who attended the NAWCC National in Overland Park, KS this past June, you will agree it was a very nice venue, very well run, in a beautiful city and convention center. The convention was successful as there was a large turnout and everyone I spoke to said they had a very good show. The 2012 NAWCC National will be held in Pasadena, CA. Information is on the NAWCC website.

Our Multi Chapter Picnic on July 9 at James Baird State Park had good attendance on a beautiful sunny day and as usual, the food was great along with fascinating show n' tell presentations. Many brought their pets. A fun day was had by all.

We would like to wish George Feinstein, Chapter 2's past officer and program chairperson, lots of luck and happiness in his new home. He has moved to Houston, Texas to be near his family. He has been on the Chapter 2 board for many years and has done an outstanding job. We will miss you George.

Another member who has relocated is Bunny Goodman. She has moved to an assisted living facility in Riverdale, NY. Bunny attended all our meetings with her husband David and always gave us a hand when we needed help. We will miss you too Bunny.

Please plan to attend Danny Kantrowitz's presentation on clock and watch escapements.

Hope to see all of you at this meeting.

Best regards,

Lu Sadowski
