Schedule of Future Meetings Second Sunday Bulletin Months

Report of Program and Other Horological Activities

We had 31 guests and members during our Sunday meeting. After review of an interesting display of Seth Thomas clocks and our Mart we held our business meeting.

With next month being time for new officers, a nominating committee was assembled to look for new leadership for the chapter. Our program this meeting was presented by Dr. Knauff and covered the use of hand tools for the rebushing of clock works.
