level from Mr. Bernard J. Edwards, 2nd Vice-President of N.A.W.C.C. During the breakfast Dr. Eugene Garby, National Director, and Mrs. Garby from Springfield, Missouri were recognized as celebrating their 58th Wedding Anniversary, July 12th. A lecture and slide presentation entitled "Looking Glass Clocks Are Not All Alike" was presented by Dr. Bryan Rogers. He displayed and showed wooden movements pointing out the different adaptations by different makers. A Certificate of Appreciation was presented to Dr. Rogers.

Workshops were presented by two members of the Heart Of America Chapter #36 in the Mart Room. In the absence of Jerry Fairer, his apprentice, Tim Moore, presented a demonstration on "General Wooden Movement Repair." Jerry had prepared and printed a very useful and informative handout for anyone interested. The second workshop was on "Things To Look For In Buying Old Watches," by Hal Garnett. As a collector and repairman for many years Hal gave a workshop with very informative guidelines.

Plans are now being made for the 1987 Regional to be held in Kansas City.
