Dear Harry:

In view of your long, outstanding and unselfish loyalty, dedication, service, interest, and cooperation to the Heart of America Chapter No. 36 of the National Association of Watch and Clock Collectors, the Chapter members do at this time desire to recognize your contributions to this Chapter.

You have been an early member of Heart of America Chapter helping to guide and form this Chapter into a strong, educationally orientated Chapter. Your service as an officer of our Chapter, particularly your terms as President, led us through some very difficult times most successfully. You have always promoted the educational and sharing aspects of collecting, which are such important functions of the Association, Regionals, and our Chapter. You have always represented our Chapter so capably at National Association and Regional activities, and served all of the heart of the Mid-West members of the National Association as National Director.

Your professionalism in repair and restoration of horological items is renown throughout the Association, Regionals, and Chapters. Your willingness to share your expertise with other members has been helpful to all with whom you have come into contact.

You have been an outstanding member of Heart of America Chapter No. 36, and for this reason the Chapter members were pleased to unanimously confer on you an Honorary Lifetime Membership at our April 5, 1987 meeting. We know you will not always be able to attend our meetings, but we want you to know that we are always anxious and thrilled to see you and have you attend our meetings and activities as you recover from your illness. We want you to be a part of our Chapter for many years to come.

President, Chapter No. 36
