Address 5839 Penny Lane Merriam, Kansas 66203
Street City State Zip

Schedule of Future Meetings Second Sunday of Bulletin Month

Report of Program and Other Historical Activities

A beautiful Kansas afternoon with a hint of fall colors in the trees drew thirty-two members and guests to our regular meeting in the Merriam Community Center, Merriam, Kansas, October 9, 1994.

Dorothy Knouse and Ruth Hennmann furnished cookies with coffee for the fellowship and mart beginning at 1:00 PM.

President Bill Dugan called the meeting to order at 1:45 PM. Donna and Roger Olsen from Topeka, Kansas and Calvin Meyer from Fort Leavenworth, Kansas were welcomed as our guests.

The Secretary's minutes were approved as published to the membership and the Treasurer's report was approved as read.

The only old business was a report on the picnic held in the Antioch Park in Merriam, Kansas, September 18th. The picnic has

become an annual event and after some held in the rain, cold, heat, or wind, we drew a perfect day. Our only uninvited guests were many small bees, but their main interest seem to be our soft drinks and I don't think anyone was stung. Twenty-two members and guests enjoyed the bountiful lunch, mart, and fellowship.

An item of new business was an invitation from Chapter 51 to the all Missouri meeting to be held in Columbia, Missouri, November 13th.

The plans for the River Cities Regional to be held in Kansas City, Missouri, June 2nd and 3rd, 1995 were discussed. General Chairman Wayne Hennmann passed a questionnaire out for members to fill in for new ideas and improvements. Be sure to watch the Mart for information and registration forms.

Show & Tell exhibitors were Don Luke with an article from the Antique Trader publication on the Ansonia Clock Company. He displayed a small 8 day Ansonia clock with rim wind in a Russian made case. Also an octagon shaped 8 day Leven escapement Gilbert clock. Sam Kutner displayed a Monbien movement. Wayne Hennmann displayed an unusual and unmarked movement in a rosewood case. Bob Hill's exhibit was a very unusual movement with Hawley Time Recorder made by Crouse-Hinds Company on the dial. A picture of the case was also shown. These last two clocks will be candidates for the Bulletin's Answer Box in the near future.

The meeting adjourned for the very interesting slide/tape from National entitled "200 Years of Monbien Clocks" by Alan Seymour.
