Crafts Competition, Clock Restoration:	Click here to enter text.		
Regional Report:	<p>Our 2015 regional was a great success. We increased from last year the number of tables available and seating at the banquet. Nevertheless, we sold out of tables and banquet tickets; we had a waiting list for tables! We increased the number of public guests from 108 last year to 197 this year thanks to the aggressive distribution of flyers by chapter members as well as newspaper and TV coverage. Better yet, we recorded the name, mailing address, and email address of nearly all public guests.</p> <p>While the quantifiable factors, above, are encouraging, the most important aspect of any regional is unquantifiable: fun. In that regard, our member surveys unanimously reveal that we are one of the most enjoyed, friendliest, and well-organized regionals of our size.</p>		

	<p>We were gratified that our national representative this year was Steve Humphrey, NAWCC Executive Director. Steve noted in his report on our regional that “the friendliness of the staff and their helpfulness was exemplary” and that our interactions with public guests were the “most welcoming that [he] observed.” Overall, we were credited as a “great regional, great staff” with the “Hospitality area a real plus and a great banquet with more than enough door prizes for everyone present.”</p>

<p>Thank You:</p>	<p>We thank those who made our regional a success: our table holders, members from other NAWCC chapters and our 197 public guests. Most importantly we acknowledge the members of Heart of America, Chapter 36: 46% of our membership volunteered to make the regional happen and 80% of our membership attended the regional. Together, we did it!</p>	
<p>In Memory of:</p>	<p>We are saddened by the deaths of Rick McEnaney and Bob Hill. Rick served our chapter as Vice-President (1974-1976) and President (1976-1980). Bob served our chapter as Vice-President (1986-1990, 1992-1994, and 1996-1998) and President (1998-2002). Bob taught many current members the fine art of clock repair. He will be especially missed.</p>
