Heart Of America Chapter Number 36

NATIONAL ASSOCIATION OF WATCH AND CLOCK COLLECTORS

June 12, 1978

Ms. Mary Jane Strickler, Associate Editor  
National Association of Watch and Clock Collectors, Inc.  
PO Box 33  
Columbia, Pa. 17512

Dear Mary Jane,

I hope you had a grand time at the National in San Antonio. San Antonio is such a picturesque city. I spent considerable time there during WWII and really enjoyed it. This year's National was the first I have missed in some time, but it just was not possible for me to attend this year.

Submitted below is Chapter 36 news for inclusion in the August Bulletin. No photos this time as my dark room is all torn up !

"Calendar clocks was the subject of discussion at the June 11, 1978 meeting of Heart of America Chapter No. 36, all brought into focus and proper perspective by the excellent NAWCC Tape-Slide program by Pete Shunk, "Calendar Clocks" For some reason calendar clocks are moderately abundant in our area so there was a good display to go along with the tape-slide program. Our members were appreciative of Mr. Shunk's remarks concerning the adjustment of the calendar tripping mechanism on Ithaca clocks. Chapters who have not taken advantage of this program are missing something! Chapter 36 welcomed 3 new members, two who are new to NAWCC and one who comes from Chicagoland. Chapter 36 is eager for NAWCC members in our area to visit our Chapter meetings. We have formed a new and updated hospitality committee to make sure that everyone is made to feel welcome. The time is now, so please join us."

Thank you very much.

Sincerely,

Harry A. Knauff, M. D. (5053)  
Secretary, Chapter 36, NAWCC
