NAWCC Chapter 52 - Los Padres

Ball List-Howard

Eleven of these numbers were published by Kent Singer and Ed Ueberall on p 623 of NAWCC Bulletin 340 and a twelfth example was listed in Bulletin 341. Additional info was gotten from Bulletin 351 pp494-499, an article by Harold Visser and Clint Geller. Where I was able to document an earlier source, I did so.

The remainders came from postings on the internet attributed to the various individuals. PI is shorthand for Roy Ehrhardt's Price Indicator and is preceded by the year.
