Mart: Prior to the Presentation and until close of the meeting.

To help our members with the rising cost of gasoline, tables will be \$5.

A 50/50 drawing will also be offered.

Please reserve your table(s) in advance by contacting: wmaguire@illinois.edu

NOTE: If you bring anything to share with hopes of possibly selling, you are required to have a table. This is consistent with Chapter 66's standard practice.

Presentation:

Tour of the Logan County Courthouse Clock

We plan to meet at the Church at approximately 9:00 a.m. and walk the very short distance to the Courthouse. Small groups of only two or three at a time can climb the catwalk to the clock. Participants will view the Seth Thomas movement and the drum for the weight table which remains. The movement has for some time been run by two electric motors. It is a goal of Logan County to restore the clock to its original condition.

Business Meeting: Immediately following the Presentation.

Admission: \$3.00 for NAWCC Members or Guests

Dues: \$15.00 for the calendar year, 2011. NAWCC membership required.

Questions please contact: President Walter J. Maguire wmaguire@illinois.edu

or Secretary John W. Herron norreh@consolidated.net

If you are a previous member of Chapter 66,
