### **President's Message**

Happy New Year to all!

I hope you all had a joyous Christmas with family and friends. We had a great time at the Chapter's Gala Christmas Dinner. Good food and good times were had by all who were there. We are planning on using the Fountain Hills Golf Resort to host our annual March Regional Meeting dinner with the same excellent fare and service of prime rib or salmon.

Now it is time to move on into 2022.....finally! We are planning to start our normal LIVE meetings in Fountain Hills. Please plan on attending. Coffee and donuts will be there as usual. Frank Wagner is arranging a ZOOM set-up for the meeting, so those who are concerned about getting out in public may attend that way. We will have a short business meeting, more detailed planning for the March Regional Meeting, and a show-n-tell session.

Debbie Cooper is planning another enjoyable presentation this month. Please think about what **YOU** can present to the group in future meetings.

Don't forget to pay your 2022 dues to keep our little "band of brothers" here in AZ going.

Several people outside of our chapter have contacted me about selling their family watch collection. Details follow below and will also be available at the meeting.

I'm looking forward to meeting in person in January and in all of 2022.

See you next month!  
Jim Powell

## Educational Presentation

### Some Unusual Clocks from the Collection of Debbie Cooper

by Debbie Cooper

For those of you who have attended one of Debbie's presentations in the past, you know that she will have some beautiful and interesting items to show us. With every "find" there is a story and there's no doubt that Debbie will have some stories to share with us.

### Watch Collection For Sale

Susan Henry contacted us recently about a large watch collection that was accumulated by her and her father. She is looking for a buyer for the collection which consists of 459 pocket watches, 41 fobs, and 68 chains. She indicated that she would prefer to sell the entire collection as one lot if possible. Following is a link to photos of each item in the lot.

Following is a link to download a multi-tab Excel spreadsheet that contains detailed information about each of the items.
