President's Message

We had a good meeting in April. Very nice attendance LIVE and in-person at the community center. As mentioned previously, we may be dropping the ZOOM function in the near future due to the logistics required when meeting in a large room and the fact that some of our internet attendees cannot see or hear what is going on. Please try to attend the in-person meeting if you can. Your attendance is greatly appreciated!

Welcome to the five **NEW NAWCC MEMBERS** who joined the national organization at our March regional: Jason Brock, Tom Goderre, Michael D. Napoliello, Gerard Roy, and James Snyder. We invite you all to join us at our monthly chapter meetings.

Our educational presentation will be by Pat Fitzgerald on a topic to be announced. The meeting reminder emails will have more information. **Please consider giving a presentation on a subject of your choice. We need presenters for August thru November and your participation would be greatly appreciated. Sharing is caring, so think about what you can offer.**

Don't forget to bring items for the Silent Auction! It's picking up again, and a variety of items were up for auction at the April meeting. Also, dig out one or two of your "rare gems" or just an interesting horological-related item from your collection to share with the group during our Show-and-Tell session.

Remember: You're all invited to join us for lunch at Phil's Filling Station following the meeting for good food and lively discussions on a wide variety of topics--- including horology! Excellent food for a fair price.

Hope that you stay safe and secure till then. I'm looking forward to seeing y'all at our next meeting.

Jim Powell
President, NAWCC Chapter 112

Ps. The ladies who usually make our coffee will be out of town celebrating family events. Fresh donuts and some leftover regional snacks will be available, but please consider bringing your favorite morning beverage.

James Price, Chairman of the NAWCC Board of Directors passed away unexpectedly on April 18. James was a retired U.S. Army Reserve Commanding General and high school math teacher. His obituary is found via the following link:

A sympathy card was sent to Jim's widow and family on behalf of the chapter, and we also made a donation in his name to the St. Jude Children's Research Hospital.

Educational Presentation by Pat Fitzgerald
