President's Message

It's August! The temperatures and humidity are way up, and storms seem to pop up around the valley daily. Be safe out there!

If you have not already heard, we plan to have a 2023 Regional next March! Please come to the August meeting to help in the planning. We will have a flow chart of the committees and helpers needed. Don't worry; you will not be tasked with anything without some help! The former Chairmen/women are here to help in every aspect. Join the fun and help us to plan and execute another successful Arizona Regional! With many of the west coast regionals disappearing, we need to keep the fires lit and the interest high in our Arizona Sunshine Regional.

The program this month will again be presented by Jim Powell. We need programs/presentations for September and November, so please consider sharing your specific interest with the group!

See you in Fountain Hills on Saturday, August 13th, for snacks, good conversation, a silent auction, show-n-tell (bring your stuff!), a business meeting, and an educational presentation.

Afterward, many of us will head over to Phil's Filling Station for lively conversation, good fellowship, and some excellent food.

See y'all there!

Jim Powell – President

Educational Presentation

Making Clock Case Decorative Castings

by Jim Powell

This month Jim will give an in-depth class on making clock case decorative trim castings using several materials. Everything that will be shown and demonstrated can be easily acquired at local hobby shops & big box stores and done quickly and easily in your home kitchen and shop.

Shown below are some sample clay colors and mold shapes.
