President's Message

September is upon us again! I hope the lingering hot weather won't drag out into late October as it sometimes does.

Our September meeting will give us more time to discuss, plan, and finalize assignments for the various regional functions. I hope that everyone can contribute a little time and effort to help the chairmen/women to make this an easy task leading to another successful regional meeting.

Larry Cooper will do a slide presentation of animated and novelty clocks that should get everyone pumped for the Sunshine Regional display. I'm sure he'll also bring some examples from his vast collection to show us. It should be fascinating and entertaining.

Stay safe, and I'll see you all at the Fountain Hills Community Center on Saturday the 10th at 9 AM for snacks, socializing, the silent auction, mini-mart, and show-n-tell.
