President's Message

February is upon us, and the Sunshine Regional is just around the corner! However, we still need volunteers to help with various bits-n-bobs of different functions the week before and during the regional meeting. So please attend the February meeting to hear exactly what we need and to volunteer your help.

We still need someone to step up and take over the Secretary position for the balance of the year. Dave Shields has graciously said he would perform the tasks for Jan and extend into Feb, but after five years of serving in that position, he feels it is time to let someone else join the fun! He will be available to guide you thru any function you may need help with. Please attend the meeting and consider being our next Chapter Secretary!

Don't forget to bring your "stuff" for the silent auction and mini-mart, and share your treasures with the audience during Show-n-Tell.

As usual, we will gather for lunch after the meeting at Phil's Filling Station for a lively discussion of "everything under the sun!"

See you on the 11th!

Educational Presentation

Space and Time

by Jim Powell

Jim Powell will be reprising his early 2019 talk on Space & Time. His talk back then was much more condensed than his one for 2023. *"More details, more facts, and more glee for 2023!"* Please plan on attending..... and you will learn some things you didn't know!

An Astrolabe model from Jim Powell's collection.
