President's Message

May will be a day or two away as you read this newsletter, and the dreaded/welcomed Arizona heat is here! Of course, it depends on your point of view! As a person who grew up in the "Windy City" and lived most of his life on the east coast, I welcome the heat over the cold temperatures we had this winter that didn't want to end. And as a bonus, the traffic has eased a bit, and the supermarket checkout lines have shortened with our winter visitors' departure.

We will devote our May meeting to the March 2023 Sunshine Regional. The regional chairpersons will give their reports, and we'll discuss what worked and what we could do better next time. As Jim wrote last month, "... a successful regional will require **new blood** to do much of the required work..." So please think about what you are willing to do to make the 2024 Sunshine Regional successful.

Please join us at our May meeting, and don't forget to bring some items for our show and tell and silent auction. As always, free coffee and donuts are available,..... and your donation is always welcome.

See you then!

Dave Shields, for Jim Powell
