President's Message

Summer is almost here.... the first 100-degree day of the year just happened in Phoenix.

This month's meeting will mainly be devoted to reviewing the 2024 March Regional. Pictures, financials, etc., will be presented. We also need to start a serious discussion on holding a 2025 Regional next March—it's not too soon to plan! Please bring your suggestions and ideas to help us get started. We really need to do a 2025 Regional!

Bring your show-and-tell stuff to share with the group. Don't forget that our Mini-Mart and silent auction are always open at 9 AM to sell your "extra" items!

Also, please consider presenting your knowledge in a presentation at an upcoming meeting. We enjoy hearing from someone in the group each month.

"The day you quit learning is the day they seal the coffin lid."

See you at the meeting!

Educational Presentation

A Photo Recap of the 2024 Sunshine Regional

By Dave Shields and Mike Wilson

Our 2024 Sunshine Regional was another great success. It drew many buyers and sellers, provided an opportunity to socialize with like-minded people, featured an exhibit of clocks and watches spanning the past 400 years, offered several educational opportunities, and featured an abundance of horological treasures to admire and purchase.

Dave and Mike have combined the photos they took during the

two-day event. Their program should provide a pleasant reminder of a good time for those who attended and an opportunity for those who did not attend to see what they missed.
