President's Message

Welcome to Fall in Arizona! Temps are finally seeing the 90's...., well, sort of!

We are planning and recruiting volunteers for the upcoming March 2025 Sunshine Regional. If you have not volunteered yet, please email me (jcp691@cox.net) or add your name to the sign-up sheet I will have at every Chapter meeting. We need a few people who will team up with the past task heads and start learning and doing the things required to allow us to have another successful regional. Responsibility will not be just dumped on you! Past task heads will work with you and share the load as you learn what needs to be done. Please consider helping us out that way.

This month, Jeff Czoka will give a presentation on the custom cuckoo clock he built and will discuss his techniques and skills with us.

October is Chapter Officer nomination time, so if you wish to run for a position, please send me your name and the position you are running for. Voting will be at the November meeting. Our current officer roster is found at the bottom of this newsletter.

Please bring your treasures to show us! Nothing is too small or too simple. We'll go for lunch at Phil's afterward, as usual.

Educational Presentation

Design and Build of a Custom Cuckoo Clock

By Jeff Czoka

Jeff will give a talk about a custom clock he built, inspired by a German castle he visited in Bavaria in 2021. He designed the clock's case and ornamentation and built much of it from cherry wood. The movement he installed is a used Regula 34 with a night shutoff that he cleaned and re-bushed. Jeff customized the clock's interior layout to accommodate the case dimensions. He installed a music box taken from a 1940s jewelry box and added some novelty functions of his own design,
