President's Message

It was really good to be back with friends at the last meeting after missing November and December due to my/our medical problems. I am getting better every day. I just need to pick up my feet! One gets used to shuffling around the house with a walker and cane! No more of that for me. Carol is getting better all the time. I will drive my Lexus for the 1st time after the accident this Thursday to go to a doctor's appointment.

Glad to see so many members there! And a decent turnout of "stuff" for the silent auction. We all really appreciated Larry's slideshow featuring his amazing collection of horological items. Now he needs to move them! HA.....ha! to the new house. (ps. – I work for CLOCKS!)

We have no program scheduled for the February meeting, so if you have the burning desire to show and tell us about some of your stuff, please contact me (jcp691@cox.net) so we can schedule you. It does not have to be anything fancy. Just share a bit of your horological stuff and knowledge with us!!!! After the March Regional, we will be back on track for monthly presentation/training sessions as usual.

Speaking of the Regional..... we will put the finishing touches on all the aspects of the March event during this February meeting. TICK-TOCK.....it is getting closer every day! I really look forward to our annual conflabs and hope you all do too, and we can keep #112 alive in the future. Our display will be "MILITARY TIMEKEEPING," so if you have any military horological items, please contact Don Couch (couchclocks@hotmail.com) or Dave Shields (dtshields1@aol.com) and let them know what you'll be bringing.

Our meeting schedule this month will be:

9 AM - mart / silent auction / visiting until 10 AM (the absolute cut-off time for the silent auction) – no further bids accepted!

10 AM - Business meeting / Regional planning.

11 AM – Show-and-Tell / Short Presentation / Training, if there is any.

11:30-ish - End meeting, and those who wish will meet at Phil's for lunch

See y'all there!
