President's Message

Fellow Members,

The picnic was a great success with over 40 members in attendance. I would personally like to thank Lois for graciously opening her home and garden to the chapter for the picnic. Also a big "thank you" to everyone who contributed the delicious food.

I would like to discuss the question that came up recently regarding the change to the By Laws with respect to the officers' length of service. A vote was taken and passed to allow the change but at the same time we decided to discuss and vote once more at the December meeting in an attempt to clarify some outstanding questions. First, the By Laws call for the past President to stand in position for one year, this will have to be amended to make arrangements that if the office is elected twice that the past President will also have to cover two years. It was also my intention that if this change in the term of the President was adopted that it would only allow the President to serve for one year as currently stated but allow for a second term option but not an automatic second term option. Therefore a yearly election will still be required and participation is encouraged from all Chapter members to help in running this great Chapter.

Another item to think about, Steve Fabes is still looking for help with the Bulletin and if anyone is prepared to take on the Editorship, please give Steve or myself a call.

For the next Friday we will meet in November. If anyone has a topic that they wish to explore, please let me or any of the Chapter officers and I will see if we can get the material put together as a program.

If any one is interested in volunteering for the MART set-up at the upcoming Regional please let me know. The majority of the time will be from Thursday October 10th from Noon to 9pm and then Friday in the morning from 6.30am to about 9.00am. I appreciate all the volunteers who have come forward. I know this Regional with everyone's help will be a great success.

I am looking forward to seeing and meeting everyone at the Regional, if you have never attended such an event, do come, you will be amazed to see 400+ tables of horological items.

Sincerely, Jay Taylor

EXECUTIVE COMMITTEE

The Chapter #107 Board of Directors Meeting held August 11th 1996 immediately following the picnic held at the home of Lois Naye. Recorded by Secretary Roy Holman. The meeting was opened by Board President Jay Taylor.

Present

Jay Taylor, , Roy Holman, Lois Naye, others present but not recorded

Minutes

Program Plans are being made to have a number of technical demonstrations at future meetings, members with either skill or needs are requested to contact John Stohr.

The need for interesting subject speakers continues and any leads from the membership will be appreciated.

Election The vote on the By Law changes passed by a 2:1 margin. Some of the members have suggested that in the future that the ballot not be a part of the Bulletin. Many like to keep their Bulletins complete.

Picnic The Second annual Picnic was a great success with 34 adults and 4 children attending.

Regional There will be a special mailing to our members about the upcoming Regional on October 10th, 11th and 12th.

Bulletin Please keep the articles coming to our Editor, Steve Fabes.

Meetings The next Friday night meeting will be November 1st. The feeling is that many of the members will be occupied by the Labor Day weekend if the September scheduled meeting was held.
