Chapter Established March 5, 1978

"Accent on Education"

This Supplement to the Chapter 107 *Bulletin* lists the books, videos, and tools in the Chapter's lending libraries. Items in these libraries may be borrowed by any chapter member in good standing. There is no charge for use of these resources.

The **book library** is stored at **Classical Clocks and Antiques**, 1082 E. Stanley Blvd., Livermore. Contact **Nile Godfrey (925-449-2127)**. This Supplement lists the books alphabetically by title and author.

Chapters 107 and 5 share a **video library**. Contact **Price Russ (925-937-9231)**. This Supplement lists the videos alphabetically by title. For videos obtained from the NAWCC library, the NAWCC "tape" number is given in parentheses. Videos are on DVDs.

The **tool library** also includes some watch parts. Contact **Walt Hubrig (925-685-0260)** or **Price Russ** (see above) for more detailed information on these items.

If the library has more than one copy of an item, square brackets indicate the number of copies. Authors are alphabetized by "surname, given name" except for commercial publications that include initials. They are alphabetized by the first initial; e.g., listing for E. N. Welsh Manufacturing will be found under "E".

This Supplement was initially compiled in 2006 and updated in July 2007 by Earl Watrous and Price Russ. The 2011 edition was created by Price. Please report changes and corrections to him. These lists are also available in electronic form.
