President's Column

We had a wonderful first meeting, and breakfast, on February 23rd, at our New location in the Pickersgill Retirement Community. Thanks again go out to Paul Iliff, Tom Mostyn, and others for their assistance in obtaining a new home.

Our thanks also go out to the Show and Tell presenters: Bob Butler - French Marine Clock, Frank Goad - Illinois Pocket Watches, Tom Mostyn - His First clock (\$3.00) and a refurbished Calendar Clock, Bill Miller - A Bulle Art-Deco Electro Mechanical Clock (British made w/ French Movement), and George Hudson - home made attachments for his Microset Timer.

We also want to thank our Ugly Clock presenters ~ Frank Blahut (electric alarm clock) and George Hudson (an unique creation he won as a door prize at one of the Regionals). The wood cased clock had the pendulum at the top and the quartz movement on the bottom. Needless to say this unique and extremely ugly clock was the winner of the Ugly Clock Contest. George has a knack for finding ugly clocks. George then put the clock up for auction where it sold on one bid of \$5. The money was donated to the Chapter. Thank you George.

Our next event the Joint Chapter 11, 12, 141 Woodsboro Meeting on April 5th. We had an active Mart and the guest speaker was Stan Palen. Stan shared with us the power-point presentation of the late Henry Lee who made wooden clock movements using readily available tools. When he died, Henry had all the templates and jigs necessary to go into mass production of wood movement grandfather clocks.

Our next meeting will be on June 8th, and the Program will be My First Timepiece. It will be a Breakfast meeting and I encourage you to bring a guest. We expect to have the larger room for the meeting, so I would also encourage you to bring some items for the Program for sale at the Mart.

Respectfully Submitted, Don Buck, President
