PRESIDENT'S MESSAGE

Hello everyone

Guess what? I do not have a lot to talk about, guess Kevin and Debbie have everything running smoothly and letting the old timer relax. The club is lucky to have them.

We had a great bitter sweet year. Learned a lot and learned you do not mess with mother nature in January.

This is our first month of FREE classified ads, please send in your submissions. We'll decide in the fall if this is a section we will continue with.

Come out for a great picnic, enjoy the auction and have a great summer.

See you in October for our Business meeting and the election of officers. We have a great program on sun dials coming up. Maybe I can learn how to set the time on my stick I have stuck in the back yard.

Hello Everyone,

It has been said that "Life is no picnic." Well Sunday, July 21st is! I would like to take this time to mention a few picnic related topics.

First, we always have a wonderful time and the more the merrier so please mark your calendar for Sunday, July 21. Join in at Joe DePonceau's on a great time with great friends and great food.

We will have our tailgate mart at the beginning of the day and our auction will be held after lunch. I need your help to make the auction a success—we need auction items. Please bring any of your belongings that will clear some space for you to bid on new acquisitions. Reminder: anything goes at this auction!

Also, this meeting is similar to our other meetings in that if you haven't made a reservation, please see Donna Stengel to pay and get your name tag.

Just a reminder to Chapter 13 members - when you do attend the Sunday meetings, payment must be made in advance or at the door even if you don't plan on staying for the meal. These payments cover the cost we pay for the use of the facility. Thank you.

Enjoy the National Convention in West Springfield, Massachusetts. The dates are Thursday, June 27 through Sunday, June 30.

Celebrate the 50-year anniversary of the Eastern States Regional on Friday, August 2 and Saturday, August 3.

Looking forward to seeing you in July.

Anything - Everything Goes!

MEMBER HIGHLIGHT— Richard & Carolyn Rank

Richard and Carolyn met while working at Wegmans and have been together 40 years and counting. Richard began looking at clocks in the early 70's and has been at it ever since with Carolyn by his side.

Richard joined the NAWCC in 1974 so he is an over 40 year member. He has been collecting all that time and now has a beautiful collection of Ithaca Grandfather Clocks as well as Waltham Banjo Clocks, both of which he is very knowledgeable about. He also has many others and has a nice complete workshop to play in. They built a beautiful large home in Bristol where they have the clocks on full display.

They have attended many Chapter meeting and learned a lot from the educational repair programs presented there. Richard helped Adolf Baker, a Rochester clock repairman for about 5 years. For 2 days a week during that time he worked on movements and learned a lot through hands on training. Richard had a very long career in the food business, which started with working for Wegmans for 25 years then he ran two food stores on his own for 30 years, the last being the IGA in Canandaigua. Carolyn went to nursing school during those years and then joined him to run the IGA store, which was a full service store with groceries, meats, deli, bakery and ice cream. He and Carolyn retired from their IGA store in Canandaigua in 2016.

They both enjoyed the store and the people who patronized it. Now that they are retired they travel across the country in their camper. They have visited many interesting places in many states and attend as many NAWCC events as they can.
