MART/REFRESHMENTS**

## PROGRAM - NAT LITMAN

Why You Need a Table Saw for Repairing, Restoring or Building a Clock Case  
from Scratch

Our resident expert on clock repair, Nat Litman, will give his fourth in a series of  
presentations. In this continuing series of lectures, Nat will discuss why the table  
saw is probably the most important single stationary tool to have in the shop. He will  
then demonstrate how to safely use the table saw to repair and replace damaged  
and missing moldings - including replacing veneer on Ogee cases.

Nat has been a member of The NAWCC since 1972 and taught both clock repair  
and furniture restoration for both the NYC Board of Education and Nassau  
Community College for over 45 years. As always, Nat is generous in giving of his  
time and sharing his knowledge with others.

Please plan to attend this first time topic which has probably never been presented  
at any NAWCC chapter meeting, anywhere.

**2655 CLUBHOUSE ROAD, MERRICK, NY 11566**

## PRESIDENT'S MESSAGE

Dear Members,

Happy New Year to all, hope it is a healthy and prosperous one. I hope everyone had a pleasant Holiday.

**NEW  
LOCATION**

Please note we have a new meeting place starting this March.  
(Address and directions on the back).

Our last meeting at the Merrick Jewish Center in November was well attended, very active with items for sale/trade and a very informative workshop given by Nat Litman with Part 3 of a series on how to repair and service clocks. The Jewish Center is now closed for remodeling and we were told that when completed, rental would be more than what we can manage.

In the meantime Fran and Nat investigated several places. The only place that was not further away and that we could afford is Temple Israel in Merrick, NY which is right off the Meadowbrook Parkway and seems to meet all our criteria. We have scheduled meetings for March 15<sup>th</sup>, May 31<sup>st</sup> and October 18<sup>th</sup>. If this works out, we can then schedule meetings for 2021, if not, we are out of locations we can afford.

At this Meeting a presentation will be given by Nat Litman. This is a brand new lecture on using a table saw for repair and restoration of a clock case.

Be sure to support the NAWCC by keeping your annual membership up to date. I receive a list of delinquent members every 2 months and I notice many of you are on the list. To be a member of a Chapter you need to be a member of National. Be sure to check out their website as it has been updated. There is much information to be found.

Many of you have asked about Chapter 2 membership cards. We can no longer have them printed as it is an added expense, plus extra work and environmentally unsound. Anytime you want to check if your dues are up to date, email Fran and she will let you know – [wwlathlot@aol.com](mailto:wwlathlot@aol.com).

Hope to see everyone at our new location.

Regards.

Lu Sadowski
