MART/REFRESHMENTS

Dear Members,

This meeting will be held as a memorial tribute to Lu Sadowski. Her dedication to NYChapter #2, as President for many years, made our mart/meetings successful and an always looked forward to event.

One of her many talents was writing the meeting notice, getting it to the printer, proofreading and making sure that you would receive it in plenty of time for you to plan to attend. When that was done, she would contact NAWCC and give them the particulars to put on our web site.

For her many hours of work, enthusiasm and attention to detail at Regionals and National conventions, The NAWCC recognized her avid support and bestowed upon Lu the honor of Fellow. An award that is not easily attained.

Lu, you will be sadly missed by everyone.

Fran Schmidt, Secy./Treas.

Please use the registration tear-off and return it in the provided envelope by SEPTEMBER 12TH.

Thank you

MART REGISTRATION - 8:30 A.M.

Pre-registration \$10.00 each and Mart tables \$10.00 each which must be received by **SEPTEMBER 12, 2022.**

Admission and tables at the door, if available, are \$12.00.

PLEASE NOTE

After 78 years of functioning as NAWCC Chapter#2, we have unfortunately come to a crossroads in our existence. The causes are many - lack of new members, aging of current members, economy and COVID which did not permit the gathering of large groups for such a long time did not help. Currently, our major problem is that there has not been enough interest in assuming the positions of President, Vice-President and Secretary/Treasurer.

Maintaining a viable chapter really needs more than three people. We were once able manage it but circumstances have changed. Unless there is an immediate desire of members to take over the future continuation of Chapter#2, I'm sorry to say, this will be our last meeting.

Regretfully,
Fran Schmidt
