## PRESIDENT'S MESSAGE

Dear Members,

The September 26th Mart/Meeting was at Temple Israel, a new location in Merrick, NY. This was our first live meeting in two years and we had an exceptionally large crowd of members attending. There was much activity and a wide variety of horological items available with lots of buying/selling and trading going on. All enjoyed the usual breakfast buffet.

The program for the meeting was "Show and Tell". Three Chapter 2 members talked and presented unusual and rare examples of horology.

Jerry Maltz brought a Piels Brothers Beer Advertising Clock. The company started in 1873 in Brooklyn NY by the brothers Michael, William, and Gottfried. The company was one of the largest breweries in New York. During prohibition, the company produced a product called Near beer.

Steve Sadowski then presented his rare "One Year" Clock by The Annual Wind Clock Company. For a brief period in the late 1890's the company heralded from Bridgeport, CT and advertised that this clock would run one full year on one complete winding.

Fran Schmidt talked about a Secticon desk clock that was popular in the 50's and 60's, designed by Angello Mangiarotti and made in Switzerland with a Portescap movement. The small movement, in a clear plastic case, powered by a dry cell battery, drives the escapement which beats half seconds

This meeting is again at Temple Israel. Note: There is a school in the building with a sign on the corner - "Merokee Day School". The loading entrance to the mart is from the side parking lot next to the building. There also is an entrance on Clubhouse Rd. with Handicap parking in front.

Please remit your dues (\$9.00) for 2022 if there is a dues reminder in this mailing.

The presentation for this meeting will be our own Jerry Maltz, giving a talk on one of his advertising clocks. If you have ever sat in for one of Jerry's talks, you know you will be in for an interesting and entertaining time.

We are running low on speakers for the meetings. If no one steps forward we will have to resort to videos or Zoom meetings. Your talk does not have to be long or complicated, just bring an item of interest and elaborate on it. Thank you.

Our meeting dates for 2022 are April 3rd, September 18th and December 11th. Please mark your calendars.

Keep in mind the NAWCC museum and library are open. If you are looking for some neat gift ideas, go to the Museum Gift Shop. You can do most of your shopping in one place. Also note: the new NAWCC website is up and running and easier to use.

We hope to see you at our upcoming meetings..

Best Regards,

Lu Sadowski
