

## Heart of America- Chapter No. 36

### December 12, Christmas Meeting

The Chapter members gathered at the home of Jan and Harold Engelhaupt on Sunday, December 12, 2010. 55 members and guests attended and enjoyed the couple's outstanding collection of Ansonia Clocks, tall clocks, jeweler's regulators, and many other clocks, as well as automatic musical instruments and other wonderful eclectic collections. All members bought wonderful delectables to eat. A brief meeting started at 2:15 PM and the Treasurer's report was given to the Secretary showing a balance of \$4,374.45 in the Chapter Account and \$18,101.33 in the Regional Account.

There being no further business for this meeting, the meeting was adjourned and a fun Christmas present drawing was held, with many lucky fun presents given to the members. The members continued to enjoy the Engelhaupt's collections, visiting, and extending Christmas greetings until 3:00 PM.
