

April Report, 1968

BIRTHDAY MEETING to be held on the THIRD SUNDAY of April, April 21st. (8 years old??)

Election of Officers to be held---leaders of H.O.A. who will continue to promote our Chapter's activities, help in learning as much as we can about our collections, and assist our Chapter members in continuing the good fellowship that has existed in the past. Nominations will be made from the floor.

Chapter welcomes several more new members to the rapidly growing ranks of H.O.A. Come to April 21st Meeting and meet them. Every person can add something to your collection if you take the time to get acquainted.

Program Chairman (Mr. Richardson) has a panel discussion program arranged with the experts tossing out some new ideas on everything from watches to the latest scoop on election candidates.

BIG NEW FORSALE TABLE---anything and everything goes at your price with no charges (can you beat this???) Bring anything from half a clock dial to an old rocker with both rockers missing---anybody for an old junk sale????

New meeting place---PLEASE NOTE!! Council of Clubs Clubhouse at 1200 N. 7th Street (two blocks north of Minnesota Ave. on 7th Street) in Kansas City, Kansas, is the meeting place for our gala birthday celebration.

Parking around the back---entrance from either the back or the front (depending on the size of your exhibits and forsales. Two rooms (all for us) with exhibit tables available. Clubhouse available from one to four o'clock with meeting to start at one-thirty.

\$2.00 Dues are due NOW for H.O.A. CHAPTER MEMBERSHIP, but be sure to have your National Association Dues all paid up. A little bird told me that our H.O.A. Secretary and your Editor haven't got theirs paid yet---probably due to misplacing the Notice sent but you can bet they'll be paid up by tomorrow even if we have to take the house apart!

AUXILIARY---anything you want to bring for the forsale table?

You also will be electing a new Auxiliary Chairman.

Coffee is provided by our host, with the Auxiliary bringing cookies.

Check your spouses Membership Card---does he have a new one or does he owe his dues??

Member goes on 9-day selling spree and has a "a-a-a-ball"??? So says Mrs. Bruer who spent 9 days in the antique booth at the 1968 Kansas City Flower & Garden Show visiting, meeting, and having fun with old friends and new.

H.O.A. CHAPTER extends its sincerest regrets to Mrs. Donald Monroe from Versailles, Mo., and to Mrs. Clyde Cantrall from Olatha, Kansas, whose husbands both have recently passed away. Mr. Monroe has been a vital asset to our Chapter for a goodly number of years and even at the last H.O.A. Meeting at Dr. Knauff's home will be remembered for his addition to our knowledge regarding interesting tools he has discovered to help in the job of repairing.

Might add that we are all happy to hear that Mrs. Mashburn is now home from the hospital where she spent some time for a check up.

FEBRUARY MEETING saw several unusual happenings: Editor goofs as a film projectionist. Program proved to be the most interesting with over a dozen members bringing and showing interesting tools they have devised, and a Bell Telephone film all about time. Of course, the home of Dr. Kanuff carried its own charm and interest.

See all of you the first Sunday after Easter!

Clement C. Wagner, Editor
