Special Edition:

This is a special edition of the Chapter newsletter to keep you informed on what is happening in the Chapter.

Bob Arnold:

Bob Arnold informed the Board of Directors in June that he would be moving to Kansas City, MO as of October 1st and would be resigning as Chapter President. Bob has been Chapter President for many years and has contributed much to the ongoing success of the Chapter. He will be missed.

Subsequent to that, we learned that Bob had broken his ankle after attending the National Convention in Virginia in July. He spent some time in a hospital in Virginia and then was transported to Kansas City, MO for surgery to repair the ankle with 4-6 weeks of rehab to follow. His surgery was on Friday, July 30th. He is doing well and cards and greetings can be sent to him at 7330 Terrace, Kansas City, MO 64114. We all wish Bob the best, and that he has a speedy recovery.

September 18th “All Michigan Meeting”:

Planning for the “ALL Michigan Meeting” is moving forward, and we are looking forward to having this event in a new, larger location (see attached map and meeting notice). We are also looking forward to having this meeting in person as we have not been able to get together in person since February of 2020. In order for this event to be successful, we encourage all of you to attend and bring clocks, watches, parts, etc to sell or trade. We also are in need of volunteers, specifically to help with set-up on Friday, September 17th, and clean-up on Saturday after the event. We are planning a 50/50 raffle and need ticket sellers. We also plan to have a Chapter table to sell donated items to benefit the Chapter. We will need people to help with sales at this table. Please contact Tom Morris by email at thomasm326@gmail.com or by phone at 734-282-1725.

Thanks for your continued support and we look forward to seeing you on September 18th.

Chapter Six Historian:

I have several boxes of Chapter archives dating back to the 70's that Bob had in storage. There are also pictures and scrapbooks with newspaper articles about the Chapter. There is also a history of the Chapter from 1948 to 1990 compiled by James West. Would anyone like to take on the job of sorting through this material, culling out what can be disposed of, organizing what is left, and documenting what has happened since 1990? It would be a great winter project! Let me know if you are interested at the above contact information.
