

# Florida Gold Coast Chapter No. 60

NATIONAL ASSOCIATION OF WATCH AND CLOCK COLLECTORS, INC.

## MEETING NOTICE and NEWSLETTER

*July 20, '97*

### PROGRAM

Last month, Ely Wishnick presented a program "Watches At Auction" with slides of many beautiful watches and clocks. This month, Leonard (Lenny) Bloom, a long time member of Ch. 60 and a Photographer by Profession, will show how to take photographs of watches and small clocks. Everyone who has a collection of any value should have documentation including photographs for many reasons. This should be an interesting discourse to anyone who has a camera, (and who doesn't ?).

### NATIONAL CONVENTION NEWS

The Atlanta National was very successful, (don't have any figures). A representative of the Broward County Convention and Visitors Bureau went to Atlanta to give information about Fort Lauderdale and observe first hand what we are all about. A very impressive trip.

### REGIONAL CONVENTION NEWS

Over 400 of the 840 tables in our '98 Florida Mid-Winter Regional have been sold so far. There has been very positive response in spite of no advertisement in the Mart as yet, it is really too early. A large number of tables were sold in Atlanta at the National Convention.

### PUBLICITY

A recent issue of the "High Riser" has a two-page

article about clocks and watches, etc. discussing Meetings, the NAWCC and our local chapter. Our President Joe Cohen and Treasurer Bob Spinney were interviewed.

### EDUCATION

The FAU 12-hour seminars are shaping up. Joe Cohen will have descriptions of the project, applications, a Brochure, and will be able to give any information you may want. This is the first time that an educational program pertaining to Horology has been instituted at an accredited university. The location will be at the FAU Campus on Commercial Blvd.

### MART

The Mart will open at 9:30. Plenty of tables will be available, but be advised that table covers are a MUST. If you aquired an unusual item since our last meeting, please bring it for a "Show and Tell". If you have guests in your home, bring them along and we will welcome them. It is always great to see new faces. See you-all Sunday.
