

Florida Gold Coast Chapter No. 60

NATIONAL ASSOCIATION OF WATCH AND CLOCK COLLECTORS, INC.

MEETING NOTICE

Sunday June 15, '97 Miramar Civic Center

Sunday June 15th. is not only Father's Day, it is our Chapter 60 Meeting Day at the Miramar Civic Center. Doors will open at 9:30 for those Members desiring tables in the Mart, gaining entrance first, giving them time to set up. Remember that table covers are a must. Please be reminded that there is to be no trading in the parking lot. There has been much discussion about this and we could be in deep trouble if it continues.

PROGRAM

For a very informative program, Ely Wishnick will present a discussion of "Watches at Auction" with slides. Some of us have seen his programs before and they are always well done and very informative.

At last month's meeting Peter Klein brought a "Show and Tell"; a "Whistler", the carved figure with a clockwork mechanism that whistles a tune. He gave quite an interesting talk about these devices that originated in Germany and are now being reproduced in Japan. Some of the originals are quite rare and therefore very valuable.

Feel free to bring and share your "Show and Tell" items.
