

Florida Gold Coast Chapter No. 60

NATIONAL ASSOCIATION OF WATCH AND CLOCK COLLECTORS, INC.

JULY MEETING AND MART - SUNDAY JULY 19, 1998
AT MIRAMAR CIVIC CENTER, 6920 SW 35th. STREET
DOORS OPEN AT 9:30 AM, BUSINESS MEETING AT 11

THERE IS GOOD NEWS! Our Clock Repair Class has a new teacher, Martin Ander.
If you wish information about the classes, please call JoeCohen at 954-561-2234.

The Program at this meeting will be an on-going series of videos, starting when the mart opens. The first will be "Electrical Horology in New York State" done by Electrical Horology Chapter 78 NAWCC at the Eastern States Regional Exhibit some time ago. This will be followed by the video of the NAWCC Museum in Columbia Pennsylvania. I believe the museum is now closed or will be shortly until the latter part of next year to allow the construction of the new museum to continue. I will have pictures taken from the Internet available. The main program video will be on "Servicing French Clocks", to be shown after the Business Meeting..

This month I would like to try something a little different for a Chapter Mart. Let's have a Silent Auction Table, one dollar per entry, no limit to number of entries, open to all members, not just the table holders.

If you have aquired something different recently, bring it for a "Show and Tell".

Don't forget there will be no meeting in August.

Best regards
Jack Seeley, Corr. Sec'y
