## PRESIDENT'S MESSAGE

Welcome to the New Year. I am pleased to serve as your President, and I look forward to the challenges of operating the organization. We have a lot of work ahead of us this year. We are working on several programs to boost membership, re-affirming our commitment to the Mentoring Program, and continuing our efforts to deliver quality education through the Field Suitcase Workshop. Our sizable donation to the Field Workshop Program following the 2002 Regional resulted in having a new program developed; Basic Skills & Lathe class which we will be hosting in May. I would like to personally thank everyone who has volunteered to serve on my board for their dedication to the advancement of horology. Craig Grosby, President

**2003  
COMMITTED TO  
SERVE:  
NAWCC FIRST**

**Peter Klein** is honored to be a candidate for Director of the NAWCC. His goals include: strengthening the

financial position of the organization, ensuring compliance with all rules and regulations, promoting new membership while retaining existing members, educating the public, creating an endowment-charitable giving program and enhancing communication through the NAWCC Bulletin.

Peter is a native Floridian and a graduate of the University of Miami. He began his career with the U.S. Treasury Department as an accountant and auditor. For the last 30 years he has been in the security industry. At Smith Barney, a subsidiary of Citibank, Peter is a financial consultant, first vice president and guided portfolio manager. His responsibilities are to assist individuals, corporations, charitable foundations and endowments in the development and execution of investment strategies that will ensure a secure financial future. He intends to use this knowledge and experience to benefit the NAWCC.

Peter has been a member of Gold Coast Chapter 60 for the past 25 years. He has served in several leadership roles: committee chair, officer and Director. His experience includes program chairman and community outreach. The community outreach program was created to educate the public about watch and clock collecting. He was a major supporter of the suitcase workshop. Peter collects 18th, 19th and 20th century musical bracket clocks, French figural clocks, and musical repeating pocket watches. His collection of pocket watch holders and keys is extensive. Peter has been involved in the Florida Mid Winter Regionals. He served on the exhibit committee, registration and security. He was also the Chairperson of Door Prizes.

Peter Klein has always been an integral part of his own community. He was a foundation board member and the investment advisor for the Baptist Hospital of Miami Foundation. Peter was one of the planners of their

current multi-million dollar endowment and served on the planned giving committee.

He is currently the financial consultant for the Voices for Children Endowment Fund and the PAN Endowment for Children's Needs. Voices for Children Foundation is the fund raising arm of the Guardian Ad Litem Program whose mission is to ensure that every abused and neglected child has a court-appointed Guardian. He is a Founder and Past President of the B'nai Brith Finance Lodge and the Kiwanis Club of Kendall. He contributes financially and collects toys to ensure that every child in foster care in Dade County receives a holiday gift. Peter also is a Habitat for Humanity volunteer.

He supports local charities by supplying food for A Woman's Place (a homeless shelter), toiletries for Safe Space (a shelter for battered women), clothing to Camilus House (homeless men's shelter), food for the Daily Bread Food Bank. He gives his time and money to the YMCA and the Boys & Girls Club.

Peter Klein believes that the continued success of this organization must be based on sound financial decisions. Open communication will assist in membership retention and community outreach will attract new members. These are the goals that Peter will strive to achieve.
