## PRESIDENT'S MESSAGE

UPDATE on the NAWCC/NWCM MERGER.

The August issue of THE MART contained an important article regarding the pending merger of the NAWCC and NWCM (National Watch & Clock Museum). It is critical for the long term financial viability of the organization that this merger be completed.

I assumed like everyone else that the Museum was a part of the organization, when in fact, the Museum is a separate corporation. This puts NAWCC's 501 (c) (3) status in jeopardy.

It is important that every member vote in favor of the merger so that the combined organization can continue to thrive.  
Craig Grosby, President
