NOMINATIONS

Over the years, many of the same people (getting older and more tired) have worked diligently to maintain and enhance the success of our club. All of their efforts are deeply appreciated and we trust they will remain involved in our future. However, as time has passed, we have become more computer savvy and dependent. Thanks to people like our current president, Craig Grosby, new methods of preparing our newsletters and communicating with our membership, via email, have made communication more effective and far less expensive. These advances and future enhancements will require knowledge and new skills many of us "old-timers" lack to some degree. In addition, NEW IDEAS will be needed in order to continue our reputation of "educational excellence." This is not to say that things that have worked well for this club in the past (i.e., suitcase programs) will not continue, but we will also need new ways to stimulate interest among our membership in the areas of education, marts and meetings and attract new members..

THIS IS YOUR CHANCE! We would like to present a slate of officer/director candidates to our membership with some NEW FACES AND NEW NAMES to take the club into the future; with the help of those of us who intend to continue to contribute as we can. We also need to develop a "LINE OF SUCCESSION" whereby we can move officers along through the Board and into positions of increasing authority. None of the positions require an inordinate amount of your time and no financial commitment. You can usually recruit another member for help from time to time. All we ask is that if you can commit to these jobs that you will stick with them and perform them fully. With YOUR INVOLVEMENT AND HELP our club will continue its success; provided by the dedication of many good people over the years!

Please contact one of the following committee members, either at our next meeting or the numbers below, if you are willing to get involved in helping YOUR CLUB!

Thanks

Charlie Banks (954)523-8426 or Bob Spinney (954)926-0222
