### PRESIDENTS MESSAGE

Here it is, 2005 and time to start a New Year. With the New Year, also comes a new Chapter 60 President and the same governing board with offices switched.

It would be nice if we could strive to move the Chapter forward by gaining new members and trying some new approaches to some old programs.

It would also be helpful if each member contributes ideas as to how to make the chapter better. Your Board of Directors will entertain suggestions as to how to improve the Chapter. Let's see if we can't come up with some exciting innovations for the New Year.

### EDUCATIONAL CLASSES
