PRESIDENT'S COLUMN

PRESIDENT COLUMN

January meeting was held for the first time at our new location in Hallendale. The program was set up as a show & tells which surprised a number of members. We had 3 presenters who did an outstanding job. The 3 items discussed were: a Bronze Empire Clock circa 1800-1830, several English watch chains and a ships clock recently acquired at a flea market.

Chapter 60 sent a \$20,000 donation to NAWCC toward the software package recently acquired at H.Q. This software package is design to help with accounting, membership and communication. We look forward to its full implementation.

We will have a report on the Florida Mid Winter regional at the meeting on Sunday March 18th. I look forward to seeing

as many of our members who can attend. Please invite a friend or neighbor to join you at our meeting. All are welcome.

Sincerely,
Peter Klein - Chapter 60
Treasurer - BOD of NAWCC
