President's Column

PRESIDENT COLUMN

Our second meeting at our new location turned out to be a huge success. We had a substantial increase in the number attending and the participation at the mart was wonderful. The guest speaker, Robert Covington, Jr. presented an excellent program on Chelsea Clocks. Additional clocks were brought in by Morry Steiner (Leonard Steiner's brother), Joe Cohen and I.

The board authorized a \$500 donation to the NAWCC Video project to film and make DVD's of currently running special exhibits at the museum in Columbia; and a \$100 donation for the purchase of books to be donated by Chapter 60 to the 2007 National in Chattanooga, TN in June.

I look forward to seeing more of our members returning as they find out how easy it is to get to our new location.

Peter Klein – Chapter 60 Pres.
Treasurer – BOD of NAWCC
