Guest : Dr Kitapci is a watch and clock collector invited by President Tiemens

Guest : Mike Kingston, guest of Dr Adad

For the benefit of new members President Tiemens & John Wagner shared a little history of the figurine displayed in NAWCC emblem, we call him "Tommy Ticker".

Thought(s) for the day – Elliot Spearin:

- Time is the only one of life's resources that when its all spent, you'd wished you'd spent more of it foolishly.
- People who never trespass on your property will trespass on your time as if your time is not your property.
- He who robs you of your time steals your greatest treasure
- Time goes you say? Ah, no, alas time stays, You go!

Minutes – August 2019 minutes read and approved.

Reports

1. Treasury – post-meeting Treasurer reported a balance of \$1158.80 to President Tiemens.

Discussions

1. Discussion opened on next year's mart:
 - A) Bob Miller updated us with details if we wanted to rent the Town-Hall where we meet monthly
 - B) John Wagner updated us on the possibility of our next-mart at his church in Munster Indiana. Members recalled \$125 charge. April 25th, 2020 was motioned and approved for John to lock in this date as his church.
2. Paul Jancarich proposed our club have another local horological informational. The previous one was a success, but this would be at Portage Regional Historical Society's facilities. October 19, 2019 is the proposed date. Motioned and approved.
3. Discussion started on Christmas Party location. Dr Adad will inquire as to Tiebels and report back to the club. Langels is another possibility.

Show & Tell [J]

Paul Jancarich gave a small presentation on Chauncey Jerome from Connecticut.

Paul Kwiatkowski shared a Junghans 13-J lever action pocket watch, 19-ligne-size

Norm Krueger shared a Junghans musical alarm clock. In very good shape, a recent acquisition. Norm also shared a current-project (SethThomas) which consisted mostly of cabinet work and reconstructing an engraved veneer. Norm also talked about techniques for cleaning the finish & glass.

Don Hill shared a Junghans with a W278 movement. The nice-sounding chimes are unusual in that the half-hour is a Bim-Bam strike.

Paul Jancarich was the door-prize winner.

After Meeting

Norm Krueger continued his class with a focus on replacing the balance-staff from a pocket-watch. He showed us how to remove the staff from the balance-wheel using an invert-staking set along with other tools. Great class.
